

Sodium Bicarbonate

NephroCart650

Nephro  Cart

NephroCan's sodium bicarbonate cartridges, or NephroCarts, facilitate the safest and most effective dialysis process. Manufactured to the highest standard and in compliance with USP/BP and AAMI standard regulation, our cartridges are ready to conduct online preparation of liquid bicarbonate solution for one hemodialysis treatment at a time, while also providing extra protection with external caps for the best hygienic post-treatment disposal.

Nephro  Bag

NephroCan's sodium bicarbonate bags, or NephroBags, facilitate the safest and most effective dialysis process. Manufactured to the highest standard and in compliance with USP/BP and AAMI standard regulation, our bags are ready to conduct online preparation of liquid bicarbonate solution for one hemodialysis treatment, while also taking significantly less storage space than sodium bicarbonate cartridges.

NephroBag650

Dry Powder

UNIVERSAL

Unique cartridge design allows for use with most popular dialysis machines.
