

NephroCan's sodium bicarbonate bags, NephroBags, facilitate the safest and most effective dialysis process. Manufactured to the highest standard and in compliance with USP/BP/EP, NephroCan Bags are ready to conduct online preparation of liquid bicarbonate solution for one hemodialysis treatment while taking significantly less storage space than sodium bicarbonate cartridges.

Dry Powder

UNIVERSAL

Unique cartridge design allows for use with most popular dialysis machines.

SUSTAINABLE

Environment-friendly material (Polypropylene).

DESIGN

Universal bag design offers 60% stock reduction compared to cartridge.

Key NephroBag Features

NephroBag650
